■ **Revised: TPI 194 – Plain Bearings with ELGOTEX®**

The existing TPI 194 in German and English has been revised and now contains...

- expanded technical instructions for designing bearing supports
- operating life calculations
- additional product designs: the waterproof ELGOTEX®-WA and the 2RS design with a built-in seal.

Along with a hard copy, you can now obtain a PDF version at the following link as well:
